Andrea has worked extensively within the music industry both as a singer and a songwriter.

Upon leaving the Brit School she banked two recording deals, one with BMG Deconstruction label and then Warner Brothers, where she released her hit single Reputations.

Andrea's vocal talent found its way onto both national and international Radio, where she performed many jingles for stations, her clients include Heart FM, Capital FM, Radio 1 and Magic.

Her unique live vocals secured her tours with Spandau Ballet front man Tony Hadley, Robbie Williams' Close Encounters World Tour 2006, where she dueted with Robbie on his hit 'Kids', Lisa Stansfield, and McFLY Radioactive Tour 2008.

She performed at Nelson Mandela's 90th Birthday Celebration. For artists such as: Queen, Amy Winehouse, Jamelia, Josh Groban, Sugababes, Simple Minds, Zucchero and Leona Lewis. Her TV credits include performing with the late James Brown, Patti LaBelle and Joss Stone, and the BBC series Strictly come Dancing
