Profile

I am an intelligent, multi skilled, creative person with experience in a number of roles within the music industry. As a freelance sound engineer and producer I work for a number of companies on a wide range of projects. I am currently touring in Europe as monitor engineer with Kim Wilde in support of her recent comeback album on EMI.

Skills and Experience

- Production and engineering credits on band orientated, commercially released albums.
- Writer, producer, engineer and musicians credits on a number of singles and remixes.
- Experienced on an extensive range of digital and analogue audio equipment and software
- Front of house and monitor sound engineer experience to a high standard.
- Music publishing, licensing and administration experience.
- Accomplished musician and performer (guitar and drums).

Work Experience

May 2005 – November 2006

Essential Direct Ltd - Producer

As an in-house music producer my role was quite varied and involved writing, producing and remixing dance music for commercial release under a number of pseudonyms. Key software included Logic Pro 6/7, Ableton Live as well as a range of synthesizers and plug-ins on Macintosh computers.

2002-2003

Higher State Records, London

Sound Engineer

In addition to studio work I also assisted in most aspects of running an independent record label. This included everything from the pressing side through to licensing issues, distribution and marketing.

Education

2003-2006

Buckinghamshire Chilterns University College

2:1 BA (hons) Music Industry Management (Popular Music)

Key Modules:

- Negotiation and Communication
- Marketing
- Marketing and the Media
- Application of Trade Law and Industry Practices
- International Copyright Law
- Global Retail and Distribution

1999-2001

Bedford College

City & Guilds in Sound Engineering

1991-1996

Interests

Music remains my main interest and I play guitar or drums with a number of bands. In addition to writing and producing my own music I also enjoy film making and DJing. I also have a general interest in most sports as well as being a member of my local gym. In my spare time I enjoy socialising with friends and family.
